Principles of learning:

I _____, the undersigned Parent/Guardian of the above mentioned students, am applying for admission into Madrasah Zakariya. I understand that admission into the Madrasah entails that my child and I will comply with the rules as stipulated in the Madrasah handbook. I also understand that admitting my child into the Madrasah does not absolve me of the responsibility of the educating and upbringing of my child according to the teachings of Islam. I am grateful to the staff of the Madrasah for helping me with this duty of mine, which I will be questioned about.

I will ensure my child will show respect to the teacher and the Masjid property, will study and complete all assigned work and will display diligence in conduct and endeavor.

If any concern arises I will seek to clarify it through discussion and consultation with the principal.
